1-844-326-5400

365 days a year

8:30am - 11pm

WHO WE ARE

We are individuals in recovery from substance use disorder with a message of hope. Freedom from addiction is real and available to all. We are here to listen with empathy and support. We are each in long-term recovery and promote wellness and self-directed care. Building on strengths, abilities, and resilience, we advocate and celebrate all pathways to recovery for you, your family, and your community.

WHAT WE DO

- L** Listen
- O** Offer encouragement
- V** Validate
- E** Empathize

WE CARE

Our Warm Line is answered by Certified Addiction Recovery Empowerment Specialists.

We are here to encourage and support you on your individual path to freedom in recovery.

FREQUENTLY ASKED QUESTIONS

When can I call?

8:30am - 11:00pm, 365 days of the year

What do people talk about?

Practically anything.

Are calls confidential?

All calls are completely private. People in crisis may be referred to the Georgia Crisis and Access line or emergency services.

What does it cost?

It's completely free.

Who can call?

Anyone needing assistance or support through the recovery process, including family members, friends, and other allies.
